**WELCOME:**

Welcome everyone. Of behalf of Bethia and David, I would like welcome you all here and thank you for joining them on this special day.

**INTENTIONS:**

Bethia, will you have David as your husband, in times of good fortune as well as adversity, forsaking all others to be a kind and faithful wife? Do you promise to base your life with David on love, caring, honesty, and understanding? Will you pledge to speak and to listen, to give and receive, and be considerate of his wishes and desires. Do you promise to accept and even grow to love his snowmobile racing and riding, his Nascar watching, his hunting and fishing, his lawn mower, his family, and even his love of air conditioning?

**Bethia says: I do**

David, will you have Bethia as your wife, in times of good fortune as well as adversity, forsaking all others to be a kind and faithful husband? Do you promise to base your

life with Bethia on love, caring, honesty, and understanding? Will you pledge to speak and to listen, to give and receive, and be considerate of her wishes and desires. Do you promise to accept all of her animals, her newfound love of snowmobiling, her father *and Penny*, her penchant for multiple projects at one time, her uncanny ability to break things and her great big family wing-dings?

**David says: I do**

**VOWS:**

Bethia and David will now exchange their own vows

**EXCHANGE OF RINGS:**

The rings that you are about to exchange mark the beginning of a long journey together. They are also a symbol of eternity, a circle that has no end. Let your rings be a reminder of your union, and of the love that you share for each other. As a ring is unbroken, so will your love for each other be without end.

*Bethia says* “David, take this ring as a symbol of my love for you”

## **CLOSING:**

Today I am privileged to share with you, the moment you begin your new life together. In the years ahead, may you always apply tenderness and strength to the trials of life that may befall you. May your love for each other be a shield from the unpredictability of life. May you remember to rejoice in good times and good fortune and always appreciate the life that you have found with each other.

And now, it gives me great pleasure to say: by the power vested in me by the State of New Hampshire, I now pronounce you husband and wife.  
You may kiss your bride.
